

The diagram illustrates the layout for a print job. It features a central white rectangular area. This area is enclosed by a red border, which is further enclosed by a green border. The space between the red and green borders is labeled 'Bleed Area' at the top and bottom. Red arrows point from the text 'Red line is the live area' to the red border. Green arrows point from the text 'Green line is the trim line' to the green border. The text 'All important elements and text must be inside this red line. DO NOT place important text or images beyond this line to prevent trimming.' is centered within the red border. Below this, the text 'Extend art to the BLUE LINE if you want your design to extend to the edge of your final print.' is centered. Further down, the text 'Finished Size: 4.25 x 6 • With Bleed: 4.5 x 6.25' is centered. At the bottom, the text 'Green line is the trim line' is followed by 'This is where the finished product will be cut.'.

**Red line is the live area**

All important elements and text  
must be inside this red line.

DO NOT place important text or images  
beyond this line to prevent trimming.

Extend art to the **BLUE LINE** if you want your design  
to extend to the edge of your final print.

*Finished Size: 4.25 x 6 • With Bleed: 4.5 x 6.25*

**Green line is the trim line**

This is where the finished product  
will be cut.
